

Department of Environmental Services Approved Product List
Table 1

The following is a list of flocculants and soil stabilization products that have been approved for use on NHDOT projects. Approval of these products is subject to the conditions issued within the approval document dated April 29, 2012, and is based on review of information available from manufacturers, information available from other state environmental or transportation agencies, or information contained in applications submitted to the DES for approval of products to be applied to land or water. These approvals do not represent an endorsement of any of these products by DES.

Manufacturer	Product	
Applied Polymer Sciences	Silt Stop Powder 702	
	Silt Stop Powder 705	
	Silt Stop Powder 707	
	Silt Stop Powder 712	
	Silt Stop Powder 740	
	700 Series Floc Logs-706b	
	700 Series Floc Logs-703d	
	700 Series Floc Logs-703d3	
	700 Series Floc Logs-708x	
	700 Series Floc Logs-707a	
	700 Series Floc Logs-730b	
	700 Series Floc Logs-702b	
	700 Series Floc Logs-704f	
Dirt Glue Enterprises	Dirt Glue Aqueous Acrylate Based Polymer Emulsion (Liquid)	
	Earthbind 100 Dust Palliative Soil Stabilizer (Liquid)	
	EnviroRoad LLC	Flexterra FGM
		COCO Flex RT-FGM
	Profile Products LLC	Hydro-Blanket BRM
		Terra-Matrix SMM
		EcoMatrix SMM
		BioCover SS
		Flexterra HP-FGM
		GeoPerm
EarthGuard Fiber Matrix		
EarthGuard (Liquid)		
Soil Cement Engineered Formula		
Hydra Cx		
Hydra CM		
Terra Novo, Inc	Hydra Cx	
	Hydra CM	
Midwest Industrial Supply, Inc	Hydra Cx	
	Hydra CM	
Mulch and Seed Innovations, LLC	Hydra Cx	
	Hydra CM
